

NOTICE

TO BUYER AND SELLER

READ THIS NOTICE BEFORE SIGNING THE CONTRACT

The Law requires real estate brokers to give you the following information before you sign this contract. It requires us to tell you that you must read all of it before you sign. The purpose is to help you in this purchase or sale.

1) As a real estate broker, I represent: the seller, not the buyer; the buyer, not the seller;
 both the seller and the buyer; neither the seller nor the buyer.

The title company does not represent either the seller or the buyer.

2) You will not get any legal advice unless you have your own lawyer. Neither I nor anyone from the title company can give legal advice to either the buyer or the seller. If you do not hire a lawyer, no one will represent you in legal matters now or at the closing. Neither I nor the title company will represent you in those matters.

3) The contract is the most important part of the transaction. It determines your rights, risks, and obligations. Signing the contract is a big step. A lawyer would review the contract, help you to understand it, and to negotiate its terms.

4) The contract becomes final and binding unless your lawyer cancels it within the following three business days. If you do not have a lawyer, you cannot change or cancel the contract unless the other party agrees. Neither can the real estate broker nor the title insurance company change the contract.

5) Another important service of a lawyer is to order a survey, title report, or other important reports. The lawyer will review them and help to resolve any questions that may arise about the ownership and condition of the property. These reports and survey can cost you a lot of money. A lawyer will also prepare the documents needed to close title and represent you at the closing.

6) A buyer without a lawyer runs special risks. Only a lawyer can advise a buyer about what to do if problems arise concerning the purchase of this property. The problems may be about the seller's title, the size and shape of the property, or other matters that may affect the value of the property. If either the broker or the title company knows about the problems, they should tell you. But they may not recognize the problem, see it from your point of view, or know what to do. Ordinarily, the broker and the title company have an interest in seeing that the sale is completed, because only then do they usually receive their commissions. So, their interests may differ from yours.

7) Whether you retain a lawyer is up to you. It is your decision. The purpose of this notice is to make sure that you have the information needed to make your decision.

66 (D) **IF PERFORMANCE BY BUYER IS CONTINGENT UPON OBTAINING A MORTGAGE:**

68 Buyer shall apply for the loan through any lending institution of Buyer's choice in writing on lender's standard form within ten (10)
69 calendar days after the attorney-review period is completed or, if this Contract is timely disapproved by an attorney as provided in the

82 if Buyer has not obtained the commitment, then either Buyer or Seller may void this Contract by written notice to the other party and
83 Broker(s) within ten (10) calendar days of the commitment date or any extension of the commitment date, whichever is later. If this
84 Contract is voided, the deposit monies paid by Buyer shall be returned to Buyer notwithstanding any other provision in this Contract,
85 provided, however, if Seller alleges in writing to Escrowee within said ten (10) calendar days of the commitment date or any extension of
86 the commitment date, whichever is later, that the failure to obtain the mortgage commitment is the result of Buyer's bad faith, negligence,
87 intentional conduct or failure to diligently pursue the mortgage application, then Escrowee shall not return the deposit monies to Buyer
88 without the written authorization of Seller. If Buyer has applied for Section 203(k) financing this Contract is contingent upon mortgage
89 approval and the Buyer's acceptance of additional required repairs as determined by the lender.

91 (E) **BALANCE OF PURCHASE PRICE:** The balance of the purchase price shall be paid by Buyer in cash, or by certified, cashier's
92 check or trust account check.

94 Payment of the balance of the purchase price by Buyer shall be made at the closing, which will take place on 09/03/2025

96 and Buyer may agree ("the Closing").

98 **4. SUFFICIENT ASSETS:**

99 Buyer represents that Buyer has or will have as of the Closing, all necessary cash assets, together with the mortgage loan proceeds, to
100 complete the Closing. Should Buyer not have sufficient cash assets at the Closing, Buyer will be in breach of this Contract and Seller shall
101 be entitled to any remedies as provided by law.

124
125
126

127 **8. DATES AND TIMES FOR PERFORMANCE:**

128 Seller and Buyer agree that all dates and times included in this Contract are of the essence. This means that Seller and Buyer must satisfy
129 the terms of this Contract within the time limits that are set in this Contract or will be in default, except as otherwise provided in this
130 Contract or required by applicable law, including but not limited to if the Closing has to be delayed either because a lender does not timely
131 provide documents through no fault of Buyer or Seller or for three (3) business days because of the change of terms as required by the
132 Consumer Financial Protection Bureau.

133
134 If Seller requests that any addendum or other document be signed in connection with this Contract, "final execution date," "acknowl-
135 edgement date," or similar language contained in such document that sets the time period for the completion of any conditions or contin-
136 gencies, including but not limited to inspections and financing, shall mean that the time will begin to run after the attorney-review period
137 is completed or, if this Contract is timely disapproved by an attorney as provided in the Attorney-Review Clause Section of this Contract,
138 then from the date the parties agree to the terms of this Contract.

139
140 Buyer selects _____ ("Closing Agent") as the title company, attorney or other entity or person to con-
141 duct the Closing. If the Closing Agent is an entity or person other than the Buyer's attorney, Buyer agrees to timely contact the Closing
142 Agent to schedule the Closing after the attorney-review period is completed or, if the Contract is timely disapproved by an attorney as
143 provided in the Attorney-Review Clause Section of this Contract, then after the parties agree to the terms of this Contract.

144

145 **9. CERTIFICATE OF OCCUPANCY AND ZONING COMPLIANCE:**

146 **(A) Zoning Compliance.**
147 Seller makes no representations concerning existing zoning ordinances, except that Seller's use of the Property is not presently in violation
148 of any zoning ordinances.

149

150 **(B) Certificate of Occupancy or Housing Code Letter.**
151 Some municipalities may require a Certificate of Occupancy or Housing Code Letter to be issued. If any is required for this Property,
152 Seller shall obtain it at Seller's expense and provide to Buyer prior to Closing and shall be responsible to make and pay for any repairs
153 required in order to obtain the Certificate or Letter. However, if this expense exceeds \$ _____ (if left blank, then 1.5% of the
154 purchase price) to Seller, then Seller may terminate this Contract and refund to Buyer all deposit monies plus Buyer's reasonable expenses,
155 if any, in connection with this transaction unless Buyer elects to make repairs in excess of said amount at Buyer's expense, in which event
156 Seller shall not have the right to terminate this Contract.

157

158 **(C) Smoke-Sensitive Alarm Device Compliance.**
159 Seller shall comply with all New Jersey laws, and local ordinances, including but not limited to smoke detectors, carbon monoxide
160 detectors, fire extinguishers and indoor sprinklers, the cost of which shall be paid by Seller and not be considered a repair cost.

161

162 **(D) Secondary Power Source Identification Label.**
163 If there is a secondary power source to the primary power supply (i.e. permanently installed internal combustion generators, solar panels,
164 battery storage systems, or any other supplemental source of electrical energy), a label shall be installed within 18 inches of the main
165 electrical panel and electrical meter, warning about the dangers associated with secondary power sources as required by law.

166
167
168
169
170

171 **10. MUNICIPAL ASSESSMENTS:** (Seller represents that Seller has has not been notified of any such municipal assessments as
172 explained in this Section.)

173
174 Title shall be free and clear of all assessments for municipal improvements, including but not limited to municipal liens, as well as
175 assessments and liabilities for future assessments for improvements constructed and completed. All confirmed assessments and all
176 unconfirmed assessments that have been or may be imposed by the municipality for improvements that have been completed as of the
177 Closing are to be paid in full by Seller or credited to Buyer at the Closing. A confirmed assessment is a lien against the Property. An
178 unconfirmed assessment is a potential lien that, when approved by the appropriate governmental entity, will become a legal claim against
179 the Property.

180
181 **11. QUALITY AND INSURABILITY OF TITLE:**

182 At the Closing, Seller shall deliver a duly executed Bargain and Sale Deed with Covenant as to Grantor's Acts or other Deed satisfactory
183 to Buyer. Title to the Property will be free from all claims or rights of others, except as described in this Section and Section 12 of this
184 Contract. The Deed shall contain the full legal description of the Property.

185
186 This sale will be subject to utility and other easements and restrictions of record, if any, and such state of facts as an accurate survey
187 might disclose, provided such easement or restriction does not unreasonably limit the use of the Property. Generally, an easement is a
188 right of a person other than the owner of property to use a portion of the property for a special purpose. A restriction is a recorded
189 limitation on the manner in which a property owner may use the property. Buyer does not have to complete the purchase, however,
190 if any easement, restriction or facts disclosed by an accurate survey would substantially interfere with the use of the Property for
191 residential purposes. A violation of any restriction shall not be a reason for Buyer refusing to complete the Closing as long as the title
192 company insures Buyer against loss at regular rates. The sale also will be made subject to applicable zoning ordinances, provided that
193 the ordinances do not render title unmarketable.

194
195 Title to the Property shall be good, marketable and insurable, at regular rates, by any title insurance company licensed to do business
196 in New Jersey, subject only to the claims and rights described in this Section and Section 12. Buyer agrees to order a title insurance
197 commitment (title search) and survey, if required by Buyer's lender, title company or the municipality where the Property is located,
198 and to furnish copies to Seller. If Seller's title contains any exceptions other than as set forth in this Section, Buyer shall notify Seller
199 and Seller shall have thirty (30) calendar days within which to eliminate those exceptions. Seller represents, to the best of Seller's
200 knowledge, that there are no restrictions in any conveyance or plans of record that will prohibit use and/or occupancy of the Property
201 as a single family residential dwelling. Seller represents that all buildings and other improvements on the Property are
202 within its boundary lines and that no improvements on adjoining properties extend across boundary lines of the Property.

203
204 If Seller is unable to transfer the quality of title required and Buyer and Seller are unable to agree upon a reduction of the purchase
205 price, Buyer shall have the option to either void this Contract, in which case the monies paid by Buyer toward the purchase price shall
206 be returned to Buyer, together with the actual costs of the title search and the survey and the mortgage application fees in preparing for
207 the Closing without further liability to Seller, or to proceed with the Closing without any reduction of the purchase price.

208
209 **12. POSSESSION, OCCUPANCY AND TENANCIES:**

210 **(A) Possession and Occupancy.**

211 Possession and occupancy will be given to Buyer at the Closing. Buyer shall be entitled to possession of the Property, and any rents or
212 profits from the Property, immediately upon the delivery of the Deed and the Closing. Seller shall pay off any person with a claim or right
213 affecting the Property from the proceeds of this sale at or before the Closing.

214
215 **(B) Tenancies.** Applicable Not Applicable

216 Occupancy will be subject to the tenancies listed below as of the Closing. Seller represents that the tenancies are not in violation of any
217 existing Municipal, County, State or Federal rules, regulations or laws. Seller agrees to transfer all security deposits to Buyer at the Closing
218 and to provide to Brokers and Buyer a copy of all leases concerning the tenancies, if any, along with this Contract when it is signed by
219 Seller. Seller represents that such leases can be assigned and that Seller will assign said leases, and Buyer agrees to accept title subject to
220 these leases.

221
222 **TENANT'S NAME** **LOCATION** **RENT** **SECURITY DEPOSIT** **TERM**
223
224
225
226

227 Buyer acknowledges that, effective July 22, 2022, certain rental dwelling units built before 1978 are required to be inspected pursuant to
228 N.J.S.A. 52:27D-437.16, et seq., for lead-based paint. See section 13D below.

231 **13. LEAD-BASED PAINT AND/OR LEAD-BASED PAINT HAZARD:** (This section is applicable only to all dwellings
232 built prior to 1978.) Applicable Not Applicable

233 **(A) Document Acknowledgement.**

234 Buyer acknowledges receipt of the EPA pamphlet entitled "Protect Your Family From Lead In Your Home." Moreover, a copy of a
235 document entitled "Disclosure of Information and Acknowledgement Lead-Based Paint and Lead-Based Paint Hazards" has been fully
236 completed and signed by Buyer, Seller and Broker(s) and is appended to and made a part of this Contract.

237 **(B) Lead Warning Statement.**

238 Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such
239 property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead
240 poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient,
241 behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest
242 in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or
243 inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for
244 possible lead-based paint hazards is recommended prior to purchase.

245 **(C) Inspection.**

246 The law requires that, unless Buyer and Seller agree to a longer or shorter period, Seller must allow Buyer a ten (10) calendar day period
247 within which to complete an inspection and/or risk assessment of the Property as set forth in the next paragraph. Buyer, however, has the
248 right to waive this requirement in its entirety.

249 This Contract is contingent upon an inspection and/or risk assessment (the "Inspection") of the Property by a certified inspector/risk
250 assessor for the presence of lead-based paint and/or lead-based paint hazards. The Inspection shall be ordered and obtained by Buyer at
251 Buyer's expense within ten (10) calendar days after the attorney-review period is completed or, if this Contract is timely disapproved by an
252 attorney as provided in the Attorney-Review Clause Section of this Contract, then within ten (10) calendar days after the parties agree to
253 the terms in this Contract ("Completion Date"). If the Inspection indicates that no lead-based paint or lead-based paint hazard is present
254 at the Property, this contingency clause shall be deemed null and void. If the Inspection indicates that lead-based paint or lead-based paint
255 hazard is present at the Property, this contingency clause will terminate at the time set forth above unless, within five (5) business days from
256 the Completion Date, Buyer delivers a copy of the inspection and/or risk assessment report to Seller and Brokers and (1) advises Seller
257 and Brokers, in writing that Buyer is voiding this Contract; or (2) delivers to Seller and Brokers a written amendment (the "Amendment")
258 to this Contract listing the specific existing deficiencies and corrections required by Buyer. The Amendment shall provide that Seller
259 agrees to (a) correct the deficiencies; and (b) furnish Buyer with a certification from a certified inspector/risk assessor that the deficiencies
260 have been corrected, before the Closing. Seller shall have _____ (if left blank, then 3) business days after receipt of the Amendment
261 to sign and return it to Buyer or send a written counter-proposal to Buyer. If Seller does not sign and return the Amendment or fails to
262 offer a counter-proposal, this Contract shall be null and void. If Seller offers a counter-proposal, Buyer shall have _____ (if left
263 blank, then 3) business days after receipt of the counter-proposal to accept it. If Buyer fails to accept the counter-proposal within the time
264 limit provided, this Contract shall be null and void.

265 **(D) Rental Dwelling Inspections.**

266 Effective July 22, 2022, all rental dwelling units built before 1978 required to be inspected pursuant to the New Jersey Lead-Based Paint
267 Inspection Law, N.J.S.A. 52:27D-437.16, et seq., must be inspected for lead-based paint by July 22, 2024, or upon tenant turnover,
268 whichever is earlier (note: there are several exemptions, including but not limited to seasonal rentals that are rented for less than six (6)
269 months each year by tenants that do not have consecutive lease renewals). The law imposes an obligation on municipalities to perform
270 or hire, or allow the property owner/landlord to directly hire, a certified lead evaluation contractor to perform the inspections of single-
271 family, two-family, and multiple rental dwellings that are covered by the law for lead-based paint hazards, at times specified in the law. The
272 type of inspection depends on the lead levels in children in the municipality where the rental dwelling unit is located.

273 **Seller is advised to provide Buyer with all lead-safe certifications concerning the Property and the Guide to Lead-Based Paint in Rental
274 Dwellings issued by the New Jersey Department of Community Affairs prior to closing.**

275 **Buyer is advised to contact the municipality in which the Property is located to determine the type of inspection, if any, required if the
276 Property currently has a tenant or may have a tenant in the future.**

277 **14. POINT-OF-ENTRY TREATMENT ("POET") SYSTEMS:** Applicable Not Applicable

278 A point-of-entry treatment ("POET") system is a type of water treatment system used to remove contaminants from the water entering a
279 structure from a potable well, usually through a filtration process. Seller represents that a POET system has been installed to an existing
280 well on the Property and the POET system was installed and/or maintained using funds received from the New Jersey Spill Compensation
281 Fund Claims Program, N.J.S.A. 58:10-23.11, et seq. The Buyer understands that Buyer will not be eligible to receive any such funds for the
282 continued maintenance of the POET system. Pursuant to N.J.A.C. 7:1J-2.5(c), Seller agrees to notify the Department of Environmental
283 Protection within thirty (30) calendar days of executing this Contract that the Property is to be sold.

291 **15. CESSPOOL REQUIREMENTS:** Applicable Not Applicable
 292 **(This section is applicable if the Property has a cesspool, except in certain limited circumstances set forth in N.J.A.C.**
 293 **7:9A-3.16.)** Pursuant to New Jersey's Standards for Individual Subsurface Sewage Disposal Systems, N.J.A.C. 7:9A (the "Standards"), if
 294 this Contract is for the sale of real property at which any cesspool, privy, outhouse, latrine or pit toilet (collectively "Cesspool") is located,
 295 the Cesspool must be abandoned and replaced with an individual subsurface sewage disposal system at or before the time of the real
 296 property transfer, except in limited circumstances.

297
 298 (A) Seller represents to Buyer that no Cesspool is located at or on the Property, or one or more Cesspools are located at or on the
 299 Property. **[If there are one or more Cesspools, then also check EITHER Box 1 or 2 below.]**

300
 301 1. Seller agrees that, prior to the Closing and at its sole cost and expense, Seller shall abandon and replace any and all Cesspools
 302 located at or on the Property and replace such Cesspools with an individual subsurface sewage disposal system ("System") meeting all
 303 the requirements of the Standards. At or prior to the Closing, Seller shall deliver to Buyer a certificate of compliance ("Certificate of
 304 Compliance") issued by the administrative authority ("Administrative Authority") (as those terms are defined in N.J.A.C. 7:9A-2.1) with
 305 respect to the System. Notwithstanding the foregoing, if the Administrative Authority determines that a fully compliant system cannot
 306 be installed at the Property, then Seller shall notify Buyer in writing within three (3) business days of its receipt of the Administrative
 307 Authority's determination of its intent to install either a nonconforming System or a permanent holding tank, as determined by the
 308 Administrative Authority ("Alternate System"), and Buyer shall then have the right to void this Contract by notifying Seller in writing
 309 within seven (7) business days of receipt of the notice from Seller. If Buyer fails to timely void this Contract, Buyer shall have waived its
 310 right to cancel this Contract under this paragraph, and Seller shall install the Alternate System and, at or prior to the Closing, deliver
 311 to Buyer such Certificate of Compliance or other evidence of approval of the Alternate System as may be issued by the Administrative
 312 Authority. The delivery of said Certificate of Compliance or other evidence of approval shall be a condition precedent to the Closing; or
 313

314 2. Buyer agrees that, at its sole cost and expense, Buyer shall take all actions necessary to abandon and replace any and all Cesspools
 315 located at or on the Property and replace such Cesspools with a System meeting all the requirements of the Standards or an Alternate
 316 System. Buyer shall indemnify and hold Seller harmless for any and all costs, damages, claims, fines, penalties and assessments (including
 317 but not limited to reasonable attorneys' and experts' fees) arising from Buyer's violation of this paragraph. This paragraph shall survive
 318 the Closing.

319
 320 (B) If prior to the Closing, either Buyer or Seller becomes aware of any Cesspool at or on the Property that was not disclosed by Seller
 321 at or prior to execution of this Contract, the party with knowledge of the newly identified Cesspool shall promptly, but in no event later
 322 than three (3) business days after receipt of such knowledge, advise the other party of the newly identified Cesspool in writing. In such
 323 event, the parties in good faith shall agree, no later than seven (7) business days after sending or receiving the written notice of the newly
 324 identified Cesspool, or the day preceding the scheduled Closing, whichever is sooner, to proceed pursuant to subsection (A) 1 or 2 above
 325 or such other agreement as satisfies the Standards, or either party may terminate this Contract.

326 **16. INSPECTION CONTINGENCY CLAUSE:**

327 **(A) Responsibilities of Home Ownership.**

328 Buyer and Seller acknowledge and agree that, because the purchase of a home is one of the most significant investments a person can
 329 make in a lifetime, all aspects of this transaction require considerable analysis and investigation by Buyer before closing title to the
 330 Property. While Brokers and salespersons who are involved in this transaction are trained as licensees under the New Jersey Licensing Act
 331 they readily acknowledge that they have had no special training or experience with respect to the complexities pertaining to the multitude
 332 of structural, topographical and environmental components of this Property. For example, and not by way of limitation, Brokers and
 333 salespersons have no special training, knowledge or experience with regard to discovering and/or evaluating physical defects, including
 334 structural defects, roof, basement, mechanical equipment, such as heating, air conditioning, and electrical systems, sewage, plumbing,
 335 exterior drainage, termite, and other types of insect infestation or damage caused by such infestation. Moreover, Brokers and salespersons
 336 similarly have no special training, knowledge or experience with regard to evaluation of possible environmental conditions which might
 337 affect the Property pertaining to the dwelling, such as the existence of radon gas, formaldehyde gas, airborne asbestos fibers, toxic
 338 chemicals, underground storage tanks, lead, mold or other pollutants in the soil, air or water.

339 **(B) Radon Testing, Reports and Mitigation.**

340 **(Radon is a radioactive gas which results from the natural breakdown of uranium in soil, rock and water. It**
 341 **has been found in homes all over the United States and is a carcinogen. For more information on radon, go to**
 342 **www.epa.gov/radon and www.nj.gov/dep/rpp/radon/ or call the NJ Radon Hot Line at 800-648-0394 or 609-984-5425.)**

343 If the Property has been tested for radon prior to the date of this Contract, Seller agrees to provide to Buyer, at the time of the execution
 344 of this Contract, a copy of the result of the radon test(s) and evidence of any subsequent radon mitigation or treatment of the Property.
 345 In any event, Buyer shall have the right to conduct a radon inspection/test as provided and subject to the conditions set forth in paragraph
 346 (D) below. If any test results furnished or obtained by Buyer indicate a concentration level of 4 picocuries per liter (4.0 pCi/L) or more
 347 in the subject dwelling, Buyer shall then have the right to void this Contract by notifying Seller in writing within seven (7) business days of
 348

351 the receipt of any such report. For the purposes of this Section 16, Seller and Buyer agree that, in the event a radon gas concentration
 352 level in the subject dwelling is determined to be less than 4 picocuries per liter (4.0 pCi/L) without any remediation, such level of
 353 radon gas concentration shall be deemed to be an acceptable level ("Acceptable Level") for the purposes of this Contract. Under those
 354 circumstances, Seller shall be under no obligation to remediate, and this contingency clause as it relates to radon shall be deemed fully
 355 satisfied.

357 If Buyer's qualified inspector reports that the radon gas concentration level in the subject dwelling is four picocuries per liter (4.0 pCi/L)
 358 or more, Seller shall have a seven (7) business day period after receipt of such report to notify Buyer in writing that Seller agrees to
 359 remediate the gas concentration to an Acceptable Level (unless Buyer has voided this Contract as provided in the preceding paragraph).
 360 Upon such remediation, the contingency in this Contract which relates to radon shall be deemed fully satisfied. If Seller fails to notify
 361 Buyer of Seller's agreement to so remediate, such failure to so notify shall be deemed to be a refusal by Seller to remediate the radon
 362 level to an Acceptable Level, and Buyer shall then have the right to void this Contract by notifying Seller in writing within seven (7)
 363 calendar days thereafter. If Buyer fails to void this Contract within the seven (7) business day period, Buyer shall have waived Buyer's
 364 right to cancel this Contract and this Contract shall remain in full force and effect, and Seller shall be under no obligation to remediate
 365 the radon gas concentration. If Seller agrees to remediate the radon to an Acceptable Level, such remediation and associated testing
 366 shall be completed by Seller prior to the Closing.

367

(C) Infestation and/or Damage By Wood Boring Insects.

368 Buyer shall have the right to have the Property inspected by a licensed exterminating company of Buyer's choice, for the purpose of
 369 determining if the Property is free from infestation and damage from termites or other wood destroying insects. If Buyer chooses to
 370 make this inspection, Buyer shall pay for the inspection unless Buyer's lender prohibits Buyer from paying, in which case Seller shall
 371 pay. The inspection must be completed and written reports must be furnished to Seller and Broker(s) within ____ (if left blank, then 14)
 372 calendar days after the attorney-review period is completed or, if this Contract is timely disapproved by an attorney as provided in the
 373 Attorney-Review Clause Section of this Contract, then within ____ (if left blank, then 14) calendar days after the parties agree to the
 374 terms of this Contract. This report shall state the nature and extent of any infestation and/or damage and the full cost of treatment
 375 for any infestation. Seller agrees to treat any infestation and cure any damage at Seller's expense prior to Closing, provided however,
 376 if the cost to cure exceeds 1% of the purchase price of the Property, then either party may void this Contract provided they do so
 377 within ____ (if left blank, then 7) business days after the report has been delivered to Seller and Brokers. If Buyer and Seller are unable
 378 to agree upon who will pay for the cost to cure and neither party timely voids this Contract, then Buyer will be deemed to have waived
 379 its right to terminate this Contract and will bear the cost to cure that is over 1% of the purchase price, with Seller bearing the cost that
 380 is under 1% of the purchase price.

381

(D) Buyer's Right to Inspections.

382 Buyer acknowledges that the Property is being sold in an "as is" condition and that this Contract is entered into based upon the knowledge
 383 of Buyer as to the value of the land and whatever buildings are upon the Property, and not on any representation made by Seller, Brokers
 384 or their agents as to character or quality of the Property. Therefore, Buyer, at Buyer's sole cost and expense, is granted the right to have
 385 the dwelling and all other aspects of the Property, inspected and evaluated by "qualified inspectors" (as the term is defined in subsection
 386 H below) for the purpose of determining the existence of any physical defects or environmental conditions such as outlined above. If
 387 Buyer chooses to make inspections referred to in this paragraph, such inspections must be completed, and written reports including a list
 388 of repairs Buyer is requesting must be furnished to Seller and Brokers within ____ (if left blank, then 14) calendar days after the attorney-
 389 review period is completed or, if this Contract is timely disapproved by an attorney as provided in the Attorney-Review Clause Section
 390 of this Contract, then within ____ (if left blank, then 14) calendar days after the parties agree to the terms of this Contract. If Buyer fails
 391 to furnish such written reports to Seller and Brokers within the ____ (if left blank, then 14) calendar days specified in this paragraph,
 392 this contingency clause shall be deemed waived by Buyer, and the Property shall be deemed acceptable by Buyer. The time period for
 393 furnishing the inspection reports is referred to as the "Inspection Time Period." Seller shall have all utilities in service for inspections.

394

(E) Responsibility to Cure.

395 If any physical defects or environmental conditions (other than radon or woodboring insects) are reported by the qualified inspectors to
 396 Seller within the Inspection Time Period, Seller shall then have seven (7) business days after the receipt of such reports to notify Buyer
 397 in writing that Seller shall correct or cure any of the defects set forth in such reports. If Seller fails to notify Buyer of Seller's agreement
 398 to so cure and correct, such failure to so notify shall be deemed to be a refusal by Seller to cure or correct such defects. If Seller fails to
 399 agree to cure or correct such defects within the seven (7) business day period, or if the environmental condition at the Property (other
 400 than radon) is incurable and is of such significance as to unreasonably endanger the health of Buyer, Buyer shall then have the right to
 401 void this Contract by notifying Seller in writing within seven (7) business days thereafter. If Buyer fails to void this Contract within the
 402 seven (7) business day period, Buyer shall have waived Buyer's right to cancel this Contract and this Contract shall remain in full force,
 403 and Seller shall be under no obligation to correct or cure any of the defects set forth in the inspections. If Seller agrees to correct or cure
 404 such defects, all such repair work shall be completed by Seller prior to the closing of title. Radon at the Property shall be governed by
 405 the provisions of paragraph (B), above.

411 **(F) Flood Risks.**

412 Flood risks in New Jersey are growing due to the effects of climate change. Coastal and inland areas may experience significant flooding
413 now and in the near future, including in places that were not previously known to flood. For example, by 2050, it is likely that sea-level
414 rise will meet or exceed 2.1 feet above 2000 levels, placing over 40,000 New Jersey properties at risk of permanent coastal flooding.
415 In addition, precipitation intensity in New Jersey is increasing at levels significantly above historic trends, placing inland properties at
416 greater risk of flash flooding. These and other coastal and inland flood risks are expected to increase within the life of a typical mortgage
417 originated in or after 2020.

418
419 To learn more about these impacts, including the flood risk to the property, visit njreal.to/flood-disclosure. To learn more about how to
420 prepare for a flood emergency, visit njreal.to/flood-planning.

421 **(G) Flood Hazard Area.**

422 The federal and state governments have designated certain areas as flood areas. If the Property is located in a flood area, the use of the
423 Property may be limited. If Buyer's inquiry reveals that the Property is in a flood area, Buyer may cancel this Contract within ten (10)
424 calendar days after the attorney-review period is completed or, if this Contract is timely disapproved by an attorney as provided in the
425 Attorney-Review Clause Section of this Contract, then within ten (10) calendar days after the parties agree to the terms of this Contract.
426 If the mortgage lender requires flood insurance, then Buyer shall be responsible for obtaining such insurance on the Property. For a flood
427 policy to be in effect immediately, there must be a loan closing. There is a thirty (30) calendar day wait for flood policies to be in effect for
428 cash transactions. Therefore, cash buyers are advised to make application and make advance payment for a flood policy at least thirty (30)
429 calendar days in advance of closing if they want coverage to be in effect upon transfer of title.

430
431 Buyer's mortgage lender may require Buyer to purchase flood insurance in connection with Buyer's purchase of this Property. The
432 National Flood Insurance Program ("NFIP") provides for the availability of flood insurance but also establishes flood insurance policy
433 premiums based on the risk of flooding in the area where properties are located. Due to amendments to federal law governing the
434 NFIP, those premiums are increasing and, in some cases, will rise by a substantial amount over the premiums previously charged for
435 flood insurance for the Property. As a result, Buyer should not rely on the premiums paid for flood insurance on this Property previously
436 as an indication of the premiums that will apply after Buyer completes the purchase. In considering Buyer's purchase of this Property,
437 Buyer is therefore urged to consult with one or more carriers of flood insurance for a better understanding of flood insurance coverage,
438 the premiums that are likely to be required to purchase such insurance and any available information about how those premiums may
439 increase in the future.

440 **(H) Qualifications of Inspectors.**

441 Where the term "qualified inspectors" is used in this Contract, it is intended to refer to persons or businesses that are licensed or certified
442 by the State of New Jersey for such purpose.

443 **(I) Water Quality.**

444 Buyer acknowledges that Seller, the Broker(s) and/or its agent(s) make no representations concerning the quality of the drinking water
445 or any drinking water health advisories issued by federal, state and/or municipal agencies, including but not limited to concerning
446 manufactured chemicals, such as per- and poly-fluoroalkyl substances ("PFAS"), or otherwise, at the Property, except as set forth by Seller in
447 the Seller Property Disclosure Statement, if applicable. Buyer has the right and is advised to contact the local water utility, the municipality
448 where the Property is located and/or the New Jersey Department of Environmental Protection to learn more about the drinking water at
449 the Property, as well as testing, monitoring and reducing exposure to contaminants.

450 **17. MEGAN'S LAW STATEMENT:**

451 Under New Jersey law, the county prosecutor determines whether and how to provide notice of the presence of convicted sex offenders
452 in an area. In their professional capacity, real estate licensees are not entitled to notification by the county prosecutor under Megan's Law
453 and are unable to obtain such information for you. Upon closing, the county prosecutor may be contacted for such further information
454 as may be disclosable to you.

455 **18. MEGAN'S LAW REGISTRY:**

456 Buyer is notified that New Jersey law establishes an Internet Registry of Sex Offenders that may be accessed at www.njsp.org. Neither
457 Seller nor any real estate broker or salesperson make any representation as to the accuracy of the registry.

458 **19. NOTIFICATION REGARDING OFF-SITE CONDITIONS: (Applicable to all resale transactions.)**

459 Pursuant to the New Residential Construction Off-Site Conditions Disclosure Act, N.J.S.A. 46:3C-1, et seq., the clerks of municipalities in
460 New Jersey maintain lists of off-site conditions which may affect the value of residential properties in the vicinity of the off-site condition.
461 Buyers may examine the lists and are encouraged to independently investigate the area surrounding this property in order to become
462 familiar with any off-site conditions which may affect the value of the property. In cases where a property is located near the border of a
463 municipality, buyers may wish to also examine the list maintained by the neighboring municipality.

471 20. AIR SAFETY AND ZONING NOTICE:

472 Any person who sells or transfers a property that is in an airport safety zone as set forth in the New Jersey Air Safety and Zoning Act of
 473 1983, N.J.S.A. 6:1-80, et seq., and appearing on a municipal map used for tax purposes, as well as Seller's agent, shall provide notice to
 474 a prospective buyer that the property is located in an airport safety zone prior to the signing of the contract of sale. The Air Safety and
 475 Zoning Act also requires that each municipality in an airport safety zone enact an ordinance or ordinances incorporating the standards
 476 promulgated under the Act and providing for their enforcement within the delineated areas in the municipality. Buyer acknowledges
 477 receipt of the following list of airports and the municipalities that may be affected by them and that Buyer has the responsibility to
 478 contact the municipal clerk of any affected municipality concerning any ordinance that may affect the Property.

507 The following airports are not subject to the Airport Safety and Zoning Act because they are subject to federal regulation or within the
 508 jurisdiction of the Port of Authority of New York and New Jersey and therefore are not regulated by New Jersey: Essex County Airport,
 509 Linden Airport, Newark Liberty Airport, Teterboro Airport, Little Ferry Seaplane Base, Atlantic City International Airport, and
 510 McGuire Airforce Base and NAEC Lakehurst.

511 21. BULK SALES:

512 The New Jersey Bulk Sales Law, N.J.S.A. 54:50-38, (the "Law") applies to the sale of certain residential property. Under the Law,
 513 Buyer may be liable for taxes owed by Seller if the Law applies and Buyer does not deliver to the Director of the New Jersey Division
 514 of Taxation (the "Division") a copy of this Contract and a notice on a form required by the Division (the "Tax Form") at least ten
 515 (10) business days prior to the Closing. If Buyer decides to deliver the Tax Form to the Division, Seller shall cooperate with Buyer by
 516 promptly providing Buyer with any information that Buyer needs to complete and deliver the Tax Form in a timely manner. Buyer
 517 promptly shall deliver to Seller a copy of any notice that Buyer receives from the Division in response to the Tax Form.

518 The Law does not apply to the sale of a simple dwelling house, or the sale or lease of a seasonal rental property, if Seller is an
 519 individual, estate or trust, or any combination thereof, owning the simple dwelling house or seasonal rental property as joint tenants,
 520 tenants in common or tenancy by the entirety. A simple dwelling house is a one or two family residential building, or a cooperative or
 521 condominium unit used as a residential dwelling, none of which has any commercial property. A seasonal rental property is a time
 522 share, or a dwelling unit that is rented for residential purposes for a term of not more than 125 consecutive days, by an owner that has a
 523 permanent residence elsewhere.

524 If, prior to the Closing, the Division notifies Buyer to withhold an amount (the "Tax Amount") from the purchase price proceeds for
 525 possible unpaid tax liabilities of Seller, Buyer's attorney or Buyer's title insurance company (the "Escrow Agent") shall withhold the Tax
 526 Amount from the closing proceeds and place that amount in escrow (the "Tax Escrow"). If the Tax Amount exceeds the amount of
 527 available closing proceeds, Seller shall bring the deficiency to the Closing and the deficiency shall be added to the Tax Escrow. If the

531 Division directs the Escrow Agent or Buyer to remit funds from the Tax Escrow to the Division or some other entity, the Escrow Agent
532 or Buyer shall do so. The Escrow Agent or Buyer shall only release the Tax Escrow, or the remaining balance thereof, to Seller (or as
533 otherwise directed by the Division) upon receipt of written notice from the Division that it can be released, and that no liability will be
534 asserted under the Law against Buyer.
535

536 **22. NOTICE TO BUYER CONCERNING INSURANCE:**

537 Buyer should obtain appropriate casualty and liability insurance for the Property. Buyer's mortgage lender will require that such insurance
538 be in place at Closing. Occasionally, there are issues and delays in obtaining insurance. Be advised that a "binder" is only a temporary
539 commitment to provide insurance coverage and is not an insurance policy. Buyer is therefore urged to contact a licensed insurance agent
540 or broker to assist Buyer in satisfying Buyer's insurance requirements.
541

542 **23. MAINTENANCE AND CONDITION OF PROPERTY:**

543 Seller agrees to maintain the grounds, buildings and improvements, in good condition, subject to ordinary wear and tear. The premises
544 shall be in "broom clean" condition and free of debris as of the Closing. Seller represents that all electrical, plumbing, heating and air
545 conditioning systems (if applicable), together with all fixtures included within the terms of the Contract now work and shall be in proper
546 working order at the Closing. Seller further states, that to the best of Seller's knowledge, there are currently no leaks or seepage in the
547 roof, walls or basement. Seller does not guarantee the continuing condition of the premises as set forth in this Section after the Closing.
548

549 **24. RISK OF LOSS:**

550 The risk of loss or damage to the Property by fire or otherwise, except ordinary wear and tear, is the responsibility of Seller until the
551 Closing.
552

553 **25. INITIAL AND FINAL WALK-THROUGHS:**

554 In addition to the inspections set forth elsewhere in this Contract, Seller agrees to permit Buyer or Buyer's duly authorized
555 representative to conduct an initial and a final walk-through inspection of the interior and exterior of the Property at any reasonable
556 time before the Closing. Seller shall have all utilities in service for the inspections.
557

558 **26. ADJUSTMENTS AT CLOSING:**

559 Seller shall pay for the preparation of the Deed, realty transfer fee, lien discharge fees, if any, and one-half of the title company charges
560 for disbursements and attendance allowed by the Commissioner of Insurance; but all searches, title insurance premium and other
561 conveyancing expenses are to be paid for by Buyer.
562

563 Seller and Buyer shall make prorated adjustments at Closing for items which have been paid by Seller or are due from Seller, such as real
564 estate taxes, water and sewer charges that could be claims against the Property, rental and security deposits, association and condominium
565 dues, and fuel in Seller's tank. Adjustments of fuel shall be based upon physical inventory and pricing by Seller's supplier. Such determina-
566 tion shall be conclusive.
567

568 If Buyer is assuming Seller's mortgage loan, Buyer shall credit Seller for all monies, such as real estate taxes and insurance premiums paid
569 in advance or on deposit with Seller's mortgage lender. Buyer shall receive a credit for monies, which Seller owes to Seller's Mortgage
570 lender, such as current interest or a deficit in the mortgage escrow account.
571

572 If the Property is used or enjoyed by not more than four families and the purchase price exceeds \$1,000,000, then pursuant to N.J.S.A.
573 46:15-7.2, Seller will be solely responsible for payment of the Graduated Percent Fee due for the transfer of the Property. Seller is
574 advised to contact a tax professional concerning the tax implications regarding this fee.
575

576 Unless an exemption applies, non-resident individuals, estates, or trusts that sell or transfer real property in New Jersey are required to
577 make an estimated gross income tax payment to the State of New Jersey on the gain from a transfer/sale of real property (the so-called
578 "Exit Tax,") as a condition of the recording of the deed.
579

580 If Seller is a foreign person (an individual, corporation or entity that is a non-US resident) under the Foreign Investment in Real
581 Property Tax Act of 1980, as amended ("FIRPTA"), then with a few exceptions, a portion of the proceeds of sale may need to be
582 withheld from Seller and paid to the Internal Revenue Service as an advance payment against Seller's tax liability.
583

584 Seller agrees that, if applicable, Seller will (a) be solely responsible for payment of any state or federal income tax withholding amount(s)
585 required by law to be paid by Seller (which Buyer may deduct from the purchase price and pay at the Closing); and (b) execute
586 and deliver to Buyer at the Closing any and all forms, affidavits or certifications required under state and federal law to be filed in
587 connection with the amount(s) withheld.
588

589 There shall be no adjustment on any Homestead Rebate due or to become due.
590

591 **27. FAILURE OF BUYER OR SELLER TO CLOSE:**
592 If Seller fails to close title to the Property in accordance with this Contract, Buyer then may commence any legal or equitable action
593 to which Buyer may be entitled. If Buyer fails to close title in accordance with this Contract, Seller then may commence an action
594 for damages it has suffered, and, in such case, the deposit monies paid on account of the purchase price shall be applied against such
595 damages. If Buyer or Seller breach this Contract, the breaching party will nevertheless be liable to Brokers for the commissions in the
596 amount set forth in this Contract, as well as reasonable attorneys' fees, costs and such other damages as are determined by the Court.
597 If either Seller or Buyer commence such an action, in addition to any other remedy, the prevailing party will be entitled to reasonable
598 attorneys' fees, costs and such other relief as is determined by the Court.
599

600 **28. CONSUMER INFORMATION STATEMENT ACKNOWLEDGMENT:**

601 By signing below, Seller and Buyer acknowledge they received the Consumer Information Statement on New Jersey Real Estate
602 Relationships from the Broker(s) prior to the first showing of the Property.
603

604 **29. DECLARATION OF BROKER(S)'S BUSINESS RELATIONSHIP(S):**

618 applicable, and between Broker for the Seller and Seller, if applicable, shall be due and payable at the Closing and payment by Buyer
619 of the purchase consideration for the Property. Seller hereby authorizes and instructs whoever is the disbursing agent to pay the full
620 commission as set forth below to the below-mentioned Listing Broker and, if applicable, to Participating Broker out of the proceeds of
621 sale prior to the payment of any such funds to Seller. Buyer consents to the disbursing agent making said disbursements and authorizes

646 **31. EQUITABLE LIEN:**

647 Under New Jersey law, brokers who bring the parties together in a real estate transaction are entitled to an equitable lien in the amount
648 of their commission. This lien attaches to the property being sold from when the contract of sale is signed until the closing and then to
649 the funds due to seller at closing, and is not contingent upon the notice provided in this Section. As a result of this lien, the party who
650

651 disburses the funds at the Closing in this transaction should not release any portion of the commission to any party other than Broker(s)
 652 and, if there is a dispute with regard to the commission to be paid, should hold the disputed amount in escrow until the dispute with
 653 Broker(s) is resolved and written authorization to release the funds is provided by Broker(s).
 654
